Digital Portfolio

Portfolios are collections of work representing performance. Portfolios in classrooms today are derived from the visual and performing arts tradition in which they serve to showcase artists' accomplishments. While portfolios can take many different forms, for this class your portfolio will be showcased in a digital format. In addition to receiving grades for assignments on their due dates, your portfolio will be submitted in its entirety near the end of the class and you will receive a grade of 100 points for the finished product, 50 of which will be the inclusion of each of our eleven assignments and 50 of which will be for the page itself.
